London North Centre

June 15, 2013

Dear Racers, Organizers and Fans,

As MPP for London North Centre, I'm delighted to wish you good luck at this year's Amazing London Race.

The race sounds like it will be a fun day of challenges, strategies, competition and laughs. I hope everyone has a great day competing or cheering on the racers.

I want to say a big thank you to the organizers of this fantastic event that helps support the Children's Health Foundation. This is a creative way to get people motivated and passionate about raising money for such an important cause. Having our kids be healthy, active and strong is crucial. It's because of generous fundraisers like this that we're able to work to give our kids the healthiest quality of life so they can go on to bright futures and be the best they can be.

This event is a wonderful example of how kind, generous and compassionate our community is and I'm so proud of everyone who is taking the time to be a part of it.

Good luck on the race!

Sincerely,

Deb Matthews
